

UNIVERSITY OF WASHINGTON
SCHOOL OF MEDICINE CURRICULUM VITAE

4/2025

Personal Data:

Name: Doyanne A. Darnell
Contact: darnelld@uw.edu

Education:

- 1996 – 2000 University of California at Berkeley, Berkeley, CA
BA Psychology (2000)
Free association: A Code-A-Text method
Advisor: Enrico Jones, PhD
- 2003 – 2012 Georgia State University, Atlanta, GA
PhD Psychology (2012)
Examination of perceived norms and masculinity threat as predictors of college men's behavioral intentions as bystanders in a party gang rape situation, Chair: Sarah Cook, PhD
- MA Psychology (2007)
Investigating the utility of the film War Zone as a component of a street harassment prevention program, Chair: Sarah Cook, PhD

Postgraduate Training:

- 2011 – 2012 Psychology Intern, VA Puget Sound HCS, American Lake Division, Tacoma, WA - Clinical rotations in the Addiction Treatment Center, Primary Care Integration/Health Psychology, Mental Health Research, and Mental Health Residential Rehabilitation and Treatment Programs.
- 2012 – 2015 Senior Fellow, Department of Psychiatry & Behavioral Sciences, University of Washington, Seattle, WA – Mental Health Services Research

Faculty Positions Held:

- 2015 - 2016 Acting Assistant Professor, Department of Psychiatry & Behavioral Sciences, University of Washington, Seattle, WA
- 2017 - 2024 Assistant Professor (WOT), Department of Psychiatry & Behavioral Sciences, University of Washington, Seattle, WA
- 2024 - Associate Professor (WOT), Department of Psychiatry & Behavioral Sciences, University of Washington, Seattle, WA

Hospital Positions Held:

- 2015 - Psychologist, Harborview Mental Health and Addiction Services
Psychotherapy Clinic, Harborview Medical Center, University of
Washington, Seattle, WA.
- 2016 - 2019 Co-Clinical Director of the Psychotherapy Clinic, Harborview Mental
Health and Addiction Services, Harborview Medical Center, University of
Washington, Seattle, WA.
- 2019 - 2025 Clinical Director of Psychological Services, Harborview Mental Health and
Addiction Services, Harborview Medical Center, University of
Washington, Seattle, WA.
- 2023 - Psychologist, Madison Clinic, Harborview Medical Center, University of
Washington, Seattle, WA.

Honors:

- 2000 High Honors, Department of Psychology, University of California at
Berkeley
- 2007 – 2008 Georgia State University Partnership for Urban Health Research
Graduate Student Fellowship
- 2009 Georgia State University Richard Morrell Outstanding Graduate Student
in Psychology
- 2010 Georgia State University Dissertation Award
- 2014 Invited attendee, National Institute of Mental Health, Mental Health
Services Research New Investigator Workshop, Bethesda, MD.

Board Certification:

None

Current License to Practice:

- 2013 – Psychologist License PY60342342, WA

Professional Organizations:

- 2003 – American Psychological Association
- 2003 – 2012 Society for Community Research and Action, APA Division 27
- 2012 – Society for Implementation Research Collaboration

2013 – 2017 International Society for Traumatic Stress Studies

Teaching Responsibilities:

- | | |
|-------------|--|
| 2003 – 2004 | Graduate Student Advisor, Psi Chi Honor Society, Georgia State University, Atlanta, GA |
| 2005 – 2007 | Graduate Teaching Assistant, Psychological Statistics, 4 semesters, Georgia State University, Atlanta, GA |
| 2007 – 2008 | Instructor, Introduction to General Psychology, 3 semesters, Georgia State University, Atlanta, GA |
| 2007 – 2009 | Undergraduate Research Practicum Supervisor, Georgia BASICS project, Georgia State University, Atlanta, GA |
| 2009 – 2011 | Undergraduate Research Practicum Supervisor, Violence Against Women Research Team, Georgia State University, Atlanta, GA |
| 2015 – 2016 | Psychotherapy Supervisor, Psychology Practicum, Harborview Mental Health and Addiction Services, Seattle, WA |
| 2016 - | Cognitive-Behavioral Therapy Supervisor, Psychiatry Resident Continuity Clinic at Harborview Medical Center, Seattle, WA |
| 2017 | Co-Instructor, Cognitive-Behavioral Therapy Seminar, Psychiatry Residency, Harborview Medical Center, University of Washington, Seattle, WA. |
| 2021 - 2024 | Clinical Supervisor, Psychology Residency, Adult Track, UW Department of Psychiatry & Behavioral Sciences, Seattle, WA |
| 2021 - 2022 | Research Mentor, Psychology Residency, UW Department of Psychiatry & Behavioral Sciences, Seattle, WA |
| 2018 - | Guest Instructor, Psychology & Psychiatry Residency Seminars, UW Department of Psychiatry & Behavioral Sciences, Seattle, WA |

Editorial Responsibilities:

None

Special National Responsibilities:

- | | |
|------|---|
| 2007 | Co-Organizer, Southeastern Ecological Community Conference, Atlanta, GA |
|------|---|

- 2012 – 2017 Committee member, Society for Implementation Research Collaboration Core Planning Committee
- 2013 - Abstract reviewer, Society for Implementation Research Collaboration biannual conferences
- 2017 – 2019 Chair, Practitioner Network of Expertise & Board member, Society for Implementation Research Collaboration
- 2019 – 2024 Co-Leader, Provider Subnetwork, Practitioner Network of Expertise, Society for Implementation Research Collaboration
- 2022 - 2024 Abstract reviewer, Suicide Research Symposium 2023 & 2024
- 2024 Abstract reviewer, International Society for Traumatic Stress Studies Annual Meeting 2024

Special Local Responsibilities:

- 2006 Student representative, Ad Hoc Cultural Competence in the Clinical Program Committee, Georgia State University Psychology Department, Atlanta, GA
- 2006 – 2007 Student representative, Graduate Association of Student Psychologists, Georgia State University Psychology Department, Atlanta, GA
- 2006 – 2007 Student representative, Clinical-Community Program Committee, Georgia State University Psychology Department, Atlanta, GA
- 2011 – 2012 Committee member, Pre-Doctoral Internship in Clinical Psychology Training Committee, VA Puget Sound Health Care System, American Lake Division, Tacoma, WA
- 2013 Committee member, Center for Healthcare Improvement for Addictions, Mental Illness, and Medically Vulnerable Populations T32 Admissions
- 2015 - 2023 Application reviewer, University of Washington, Department of Psychiatry & Behavioral Sciences Clinical Psychology Internship – Adult Track
- 2016 Workgroup member, University of Washington, Department of Psychiatry & Behavioral Sciences Onboarding Workgroup
- 2017 Co-facilitator, University of Washington, Department of Psychiatry & Behavioral Sciences Clinical Trials Research Workgroup

- 2018 Committee member, University of Washington Department of Psychiatry & Behavioral Sciences January 2019 Research Retreat Planning Committee
- 2020 - 2021 Volunteer, University of Washington Department of Psychiatry & Behavioral Sciences COVID Support Program

Research Funding:

Current

- 2023 – 2028 NIMH P50 MH129708-01A1, UW Practice-based Suicide Prevention Research Center, 2/17/2023 – 2/16/2028
The University of Washington Practice-based Suicide Prevention Research Center is focused on improving suicide care for adolescents and young adults in outpatient medical settings by enhancing the therapeutic alliance and increasing the self-efficacy of all involved parties (e.g., providers, patients, family members).
Total Cost: 16,167,988
Role: Co-Investigator (Director for the Team Science Core)
PI: Kate Comtois, PhD, MPH
- 2023 – 2028 NIMH P50MH115837, UW ALACRITY Center for Psychosocial Interventions Research, 6/2023 – 3/2028
The Center aims to create and apply a framework informed by experts in human-centered design, technology, education, and implementation science to improve the implementability of evidence-based interventions and implementation strategies.
Total Cost: \$11,142,259
Role: Co-Investigator (R03 & Monthly Mentoring Co-Lead)
PI: Aaron Lyon, PhD & Sean Munson, PhD
- 2023 – 2028 NIMH, Safety Planning and Cognitive Behavioral Therapy for Adolescent Suicide Prevention in Mozambique: A Hybrid Effectiveness/Implementation Cluster Randomized Trial, 4/1/2024 – 3/31/2029
This implementation research project aims to test the effectiveness and implementation outcomes of suicide safety planning alone and a transdiagnostic cognitive behavioral intervention for suicide prevention on decreasing suicidal behaviors in secondary school students in Mozambique. This study will also explore hypothesized mechanisms of intervention effects and evaluate costs and cost-effectiveness.
Total Direct Cost: 3,263,051
Role: Co-Investigator
PI: Bradley Wagenaar, PhD, MPH

Past

- 2000 – 2003 Department of Veterans Affairs SUS99-026, Multi-Site Opioid Substitution Treatment Study
Study of the impact of adherence to best practice guidelines on patient behavioral health outcomes among 8 VA methadone maintenance opiate addiction treatment programs.
Role: Research Assistant
PI: Keith Humphreys, PhD
- 2005 – 2007 United Way of Metropolitan Atlanta, Education and Community Services Engagement Linkage (ECSEL)
Experimental evaluation of the implementation of an Assertive Community Treatment program to treat chronically homeless and seriously mentally ill patients at Grady Health System in Atlanta, GA
Role: Evaluation Coordinator
PI: James Emshoff, PhD
- 2008 – 2010 NIMH R03MH081223, Is Participating in Trauma Research Distressful, Beneficial or Both?
An experimental longitudinal survey research study to examine the impact, including risks and benefits, of participating in trauma-related research among undergraduate students.
Role: Research Coordinator
PI: Sarah Cook, PhD
- 2009 – 2011 SAMHSA 1U79TI019545, Georgia BASICS
Quasi-experimental evaluation of Georgia BASICS, the implementation of Screening, Brief Intervention, Referral to Treatment (SBIRT) services, a public health preventive intervention to reduce risky substance use, for patients at two urban emergency departments in the state of Georgia.
Role: Evaluation Coordinator
PI: Gabriel Kuperminc, PhD
- 2011 NICHD 5R21HD058483, HIV Risk Reduction for South African Youth: Creating a Trauma-Informed Family-Based Intervention
The pilot implementation and evaluation of a trauma-informed family-based HIV/AIDS preventive intervention among South African youth.
Role: Research Coordinator
PI: Lisa Armistead, PhD
- 2012 – 2015 NIMH T32 MH082709, Improving Mental Health Care in Safety Net Medical Settings, NRSA Training Grant, 2010 - 2015
Direct Costs: \$447,608
Role: Postdoctoral Trainee
PI: Katherine Anne Comtois, PhD, MPH

- 2014 – 2016 Patient Centered Outcomes Research Institute IH-1304-6319, A Comparative Effectiveness Trial of Optimal Patient-Centered Care for US Trauma Care Systems, 2013 - 2016
This study demonstrated that a patient-centered care management treatment that addresses patient's post-injury concerns and integrates patient concerns and preferences into medical decision making, while also coordinating care, can improve outcomes of great importance to patients and their caregivers, front-line providers and policy makers.
Total Cost: \$1,689,226
Role: Co-Investigator
PI: Douglas Zatzick, MD
- 2016 – 2018 NIMH UH3MH106338-03S1 Diversity Supplement
Administrative supplement to A Policy Relevant US Trauma Care System Pragmatic Trial for PTSD and Comorbidity.
The supplement career development aims include: 1) understanding pragmatic trial design and implementation, 2) developing methodological expertise in training and fidelity assessment of effective behavioral interventions targeting PTSD and related comorbidity, and 3) deploying implementation science methods.
Total Cost: \$446,905
Role: Mentee
PI: Douglas Zatzick, MD
- 2018 – 2019 NIMH UH2-UH3 MH106338, A Policy Relevant US Trauma Care System Pragmatic Trial for PTSD and Comorbidity, 2014 – 2019 (2019- 2020 No cost extension)
The overarching goal is to work with the NIH Health Care Systems Research Collaboratory to develop and implement a large scale, cluster randomized pragmatic clinical trial demonstration project that directly informs national trauma care system policy targeting injured patients with presentations of Posttraumatic Stress Disorder (PTSD) and related comorbidity.
Total Cost: \$5,234,067
Role: Co-Investigator
PI: Douglas Zatzick, MD
- 2019 – 2022 NIMH 1R34MH119962-01A1, Tailored Response to Psychiatric Comorbidity to Improve HIV Care Engagement in the United States (TRACE), 9/2019 – 5/2022 (extended to 8/30/22)
This project adapts the transdiagnostic cognitive-behavioral psychotherapy, Common Elements Treatment Approach, for the particular needs of adults receiving HIV care in the US and pilot-tests the adapted intervention to assess acceptability, feasibility, fidelity, and preliminary indications of impact.
Total Cost: \$706,003
Role: Co-Investigator
PI: Brian Pence, PhD

- 2021 – 2022 University of Washington Institute of Translational Health Sciences
Academic-Community Partnership Research Grant, Skills for Primary
Care Suicide Prevention: Capacity Assessment for Remote Learning
using Simulation Training and Computer-Based Skill Assessment &
Feedback, 3/1/2021 – 8/31/2022
This study helped fill a gap in knowledge about the capacity for engaging
patients in suicide risk assessment and management in primary care.
This study aimed to develop an academic-community partnership
between researchers at the University of Washington and the WWAMI
region Practice and Research Network, a network of primary care clinics
across multiple states.
Total Cost: \$19,701
Role: Principal Investigator
- 2022 – 2023 Mary. E Nelson Charitable Remainder Trust, Heidi Combs Trustee & the
University of Washington, Department of Psychiatry & Behavioral Science
Suicide Prevention Small Grant
Suicide Risk Screening in Acute and Intensive Care at a Level 1 Trauma
Center, 7/2022 – 6/2023
The present research advances knowledge about suicide risk screening
practices occurring at Harborview Medical Center, setting the groundwork
necessary for conducting future research designed to improve services
not only at Harborview but at similar institutions across the U.S. The
research harnesses population-level electronic health record data on
screening rates and outcomes among medically hospitalized patients for
a 1-year period and will gain insight into the context of the data captured
through focus groups with acute/intensive care nurses who do the
screening.
Total Cost: \$5,800
Role: Principal Investigator
- 2019 – 2023 NIMH 1K23MH118361-01A1, Technologic Innovation to Enhance the
Scalability and Sustainability of Trauma Center Provider Training in
Suicide Safety Planning, 7/2019 – 6/2023; NCE until 6/2024
This Mentored Patient-Oriented Research Career Development Award
(Parent K23 - Clinical Trial Required) harnesses advances in artificial
intelligence, natural language processing, and machine learning to
improve the scalability and sustainability of suicide prevention training for
healthcare providers. Activities include didactics, preceptorships, and
applied research experiences in three core areas: 1) technology-focused
team science, 2) the application and integration of implementation
science, user-centered design, and adult learning theory for technology
adaptation and integration for nurse training, and 3) acute care suicide
prevention clinical trials research.
Total Cost: \$599,126
Role: Principal Investigator

Bibliography:

I have published and presented work under the last names **Darnell** and **Horst**

^aIndicates mentorship of the 1st author

(June, 2023). *Acute and intensive care nurses' perspectives on suicide prevention with medically hospitalized patients: Exploring barriers, facilitators, interests, and training opportunities*. Poster presentation given at the Seattle Nursing Research Conference, Lynnwood, WA.

^aBosch, A., Thanda, K., & **Darnell, D.** (May, 2024). *Nurse identified barriers to implementing a suicide risk screening protocol at a level 1 trauma hospital: Considerations for equitable access to care*. Poster presented at the University of Washington Undergraduate Research Conference, Seattle, WA. Received UW Population Health Recognition Award.

Other:

Unfunded Grants

- | | |
|-------------|--|
| 2014 – 2018 | NIMH K23MH105531-01, Enhancing Mental Health Services for Rape Victims in Acute Medical Care, 10/14/2014 – 9/30/2018
The proposed research and training activities were to develop and pilot test a context-specific integration of two evidence-based interventions, Screening, Brief Intervention, Referral to Treatment (SBIRT) and Stepped Collaborative Care (SCC), to address the common comorbidities experienced by rape victims and enhance their linkage to ongoing services.
Total Cost: 648,001
Role: Principal Investigator
Score: Not scored |
| 2022 – 2024 | NIMH R21MH126070, Harnessing artificial intelligence for efficient measurement of suicide risk assessment and management skills |

The proposed project would use an interdisciplinary team science approach to develop an open-source computer-based method for assessing the quality of healthcare provider suicide risk assessment and management.

Total Cost: \$432,753

Role: Principal Investigator

Resubmission score: 38 (1st score: 50)

Presentations

Darnell, D. (June, 2010). *Preliminary data: Evaluation of Georgia BASICS*. Presentation given as part of the Georgia Department of Behavioral Health & Developmental Disabilities training entitled *Georgia BASICS: Substance use screening, brief intervention, and referral to treatment for substance use service providers*. Atlanta, GA.

Darnell, D. (May, 2011). *College men's bystander behavioral intentions in a party gang rape situation*. Invited presentation given to the Centers for Disease Control Violence Against Women Workgroup, Atlanta, GA.

Darnell, D. (November, 2012). *Bystander intervention: Research into what works*. Invited presentation given at the Advanced Sexual Assault Nurse Examiner Training sponsored by the Harborview Center for Sexual Assault & Traumatic Stress, Seattle, WA

Darnell, D. (April, 2013). *Professional development for psychology majors*. Invited presentation given at the Center for the Study of Health and Risk Behaviors undergraduate research practicum seminar, Seattle, WA.

Zatzick, D. & **Darnell, D.** (May, 2013). *Enhancing resilience & treating PTSD after trauma with stepped care*. Presentation given at the King County Sexual Assault Resource Center, Seattle, WA.

Dunn, C. & **Darnell, D.** (September, 2013). *Motivational Interviewing*. Presentation given at the Faculty Development Wellness Workshop, University of Washington School of Medicine, Seattle, WA.

Darnell, D. (November, 2013). *Motivational Interviewing*. Invited presentation given to the Mental Health Services Research Team, University of Washington Department of Psychiatry undergraduate research practicum seminar, Seattle, WA.

Darnell, D. (November, 2013). *Screening, brief intervention, referral to treatment*. Invited presentation given at the Center for the Study of Health and Risk Behaviors undergraduate research practicum seminar, Seattle, WA.

Darnell, D. (November, 2015). *Screening and brief intervention in trauma centers: Alcohol and PTSD*. Invited presentation given at the Emergency Medicine Residency Conference

Series, Department of Emergency Medicine, University of Washington School of Medicine, Seattle, WA.

Zatzick, D., & **Darnell, D.** (October, 2015). *Trauma Survivors Outcomes & Support study update: A policy relevant US trauma care system pragmatic trial for PTSD & comorbidity*. Presentation at Harborview Medical Center Monthly Research Conference, Seattle, WA.

Darnell, D., & Zatzick, D. (November, 2015). *Developing and implementing PTSD & co-morbidity screening and intervention for US trauma care systems: Harnessing evidence from a Western Washington pilot experience*. Tacoma Trauma Conference, Tacoma, WA.

Zatzick, D., & **Darnell, D.** (April, 2016). *The Trauma Survivors Outcomes & Support (TSOS) pragmatic trial targeting PTSD and comorbidity: Design and early implementation*. National Institutes of Health Collaboratory Grand Rounds.

Darnell, D. (May, 2016). *Catcalling and the community*. Invited workshop on street harassment. University of Washington, Tacoma Center for Service and Leadership, Tacoma, WA.

Darnell, D. (March, 2018). *Technologic innovation for scalable and sustainable healthcare provider training in suicide prevention*. Invited presentation, Kaiser Permanente Washington Health Research Institute Behavioral Health Meeting, Seattle, WA.

Darnell, D. (April, 2018). *It takes a village: Task shifting to address the behavioral healthcare needs of trauma patients*. Presentation given at Harborview Noon Conference, Seattle, WA.

Darnell, D., Puma, E., Lovin, S. (June, 2018). *Implementing evidence-based practices as a step toward value based services*. Presentation given at the annual Washington Behavioral Healthcare Conference, Kennewick, WA.

Darnell, D. & Forrester, M. (June, 2021). *Mental health & wellness*. Virtual presentation given at the UW Department of Psychiatry and Behavioral Sciences Annual Meeting, Seattle, WA.

Darnell, D. (September, 2021). *Lifestyle changes after COVID*. Virtual presentation given at the Edmonds Rotary Club Weekly Meeting, Edmonds, WA.

Darnell, D. & Petritz, J. (May, 2022). *Mental health and substance misuse: How managers can help employees and colleagues*. Virtual presentation given as part of Mental Health Awareness Month, UW Medicine, Seattle WA.

Darnell, D. (April, 2022). *Help wanted: Pragmatic methods for brief intervention training and quality assessment - AI inquire within*. Virtual presentation given as part of the University of Washington Department of Psychiatry Grand Rounds, UW Medicine, Seattle, WA.

Darnell, D. (February, 2025). *Navigating Anxiety*. Virtual interactive webinar to examine the nature of anxiety and its impact on our well-being and practical strategies for coping. Given as part of The Whole U's Dare to Do 2025, University of Washington, Seattle, WA.

Princing, McKenna (2025). *Coping with Depression*. Right as Rain, UW Medicine, Seattle, WA.

Workshops and Trainings

Dunn, C., & **Darnell, D.** (July, 2013). *Motivational Interviewing*. One and one-half day training in Motivational Interviewing philosophy and skills for Native health clinicians. Urban Indian Health Institute, Seattle, WA.

Berliner, L., Royal, J., & **Darnell, D.** (October, 2013). *Common Elements Treatment Approach (CETA)*. CETA is a transdiagnostic cognitive-behavioral treatment for PTSD, anxiety, and depression. Two-day training in CETA for therapy clinicians at the Harborview Center for Sexual Assault and Traumatic Stress, Seattle, WA.

Dunn, C., & **Darnell, D.** (November, 2013). *Motivational Interviewing*. One-day training in Motivational Interviewing philosophy and skills for healthcare and social service providers. Thurston County Public Health and Social Services, Seattle, WA.

Dunn, C., & **Darnell, D.** (June, 2014). *Motivational Interviewing*. Two-day training in Motivational Interviewing philosophy and skills for therapeutic drug courts. Thurston County Public Health and Social Services, Seattle, WA.

Dunn, C. & **Darnell, D.** (August, 2014). *Screening, brief intervention, referral to treatment (SBIRT)*. Two-day Train-the-Trainers workshop for Washington State certification in SBIRT. WASBIRT-PCI, Washington State Division of Behavioral Health and Recovery.

Kirkland, C., Merchant, L., & **Darnell, D.** (July, 2015). *Common Elements Treatment Approach (CETA) Booster Training*. CETA is a transdiagnostic cognitive-behavioral treatment for PTSD, anxiety, and depression. One-day booster training in CETA for therapy clinicians at public mental health centers in King County, Washington, Seattle, WA.

Darnell, D. (April, 2019). *Screening, brief intervention, and referral to treatment (SBIRT)*. One-day training in SBIRT for alcohol that met the training requirement for certification to bill SBIRT services in Washington State. Attendees from a variety of public health and service agencies in King County, Seattle, WA.

Darnell, D. (November & December, 2019). *Screening, brief intervention, and referral to treatment (SBIRT)*. 4-hour training in SBIRT for alcohol that met the training requirement for certification to bill SBIRT services in Washington State. Attendees from a variety of public health and service agencies in King County, Tukwila, WA.

Comtois, K., Blitz, C., Aldridge, W., Cooper, B., Bustos, T., Monroe-DeVita, M., **Darnell, D.**, Patel, S., Weaver, C. (September, 2022). *Developing comprehensive infrastructure to support evidence-based practice implementation and sustainability: Preparing guidance for providers, intermediaries, policymakers, and funders*. Pre-conference workshop at the Society for Implementation Research Collaboration biennial conference, San Diego, CA.
